Gentlemen:

Your submittal of First Article samples of SAPI made with Boron Carbide/Hybrid Aramid for above NSNs have been tested at HP White for ballistics, witnessed by QAR and other Government representatives and also, examined by ArmorWorks' QAR at your facility. SAPI has passed all tests and were found acceptable.

Approval of this first article does not relieve you from meeting all the requirements of the contract and specification for SAPI.

Production is authorized.

Sincerely yours,
