Dear Mr. Castle:

In accordance with FAR 52.209-5 (e)(2)(i), the Government hereby waives the requirement for first article approval test under contract M67854-04-D-3118 based on the fact that the same first article SAPI have been approved under contract M67854-04-D-3005.

All production quantities submitted shall be produced using the same procedures that resulted in the manufacture of an acceptable first article under contract M67854-04-D-3005; this includes using the same raw material and component parts.

Approval to proceed into production does not relieve you from meeting all requirements of the contract and specifications.

Please address any questions or concerns that you have regarding this letter to the undersigned at 703-432-3267.

Sincerely,
